There is no room to turn a boat/trailer at the house, and no where to launch it.
If you have a boat you will need to launch at either at the boat ramp at the end of Tumoana Road, or at an alternative one, and tow your trailer to the top of the drive where their is an empty section where it can be stored.

There is a jetty immediately at the front of the property which is shared between the neighbouring properties and Rotoiti Lake House which you ma also use for your boat. Please be respectful of our neighbours jetty requirements though if you have visitors during the day also wishing to use the jetty.
